

# MENS LEADERSHIP SUMMIT

*"Whoever wants to be a leader among you must be your servant."* - Mark 10:43

**Stanwell Tops Conference Centre NSW 16-18 July 2021**

## INVITE TO ALL MEN

Men need a challenge. The Men's Leadership Summit is not for the faint hearted. Keeping this in mind we are excited to ask you to join us for this historic men's gathering.

The Dads4Kids team is passionate about training men in servant leadership. The Summit is a unique training and mentoring opportunity.

Just recently Jordan Peterson said, talking about self-improvement and the mentoring process, that "The ultimate mentor is Christ". Edwin Louis Cole, one of the greatest leaders in the men's movement of the twentieth century and author of *Maximized Manhood* said, "Manhood and Christlikeness are synonymous."

You will hear from three great speakers. Darren Lewis, founder of Fathering Adventures, who has been a pioneer in teaching Rites of Passage for both men and women.

Cindy McGarvie who spent eight years in the Australian Army and is the author of the breakthrough book called 'Lost Boys'. Dr Allan Meyer, creator of the Valiant Man Course and founder of Careforce LifeKeys will also join us.

The world is in desperate need of men who will lead by example with character and integrity. This can be hard. That's why we as men need the help of heaven and why we need each other. See you at the Men's Leadership Summit.

Brought to you by **Dads4Kids**

Last year she released a book called 'Lost Boys' in which she uses her military background and extensive research to illuminate the current cultural situation facing young men. She is a mother of three young men and deeply concerned about the discrimination men face today, the male suicide epidemic and the increasing high levels of fatherlessness our children are experiencing. Cindy has a message of encouragement for the modern male. She is currently the National Director and CEO of Youth for Christ.
